

The Joyful Noise

Stories of Faith

Storyteller: Cindy Schaper

God led my husband and me by the hand to move our beautiful young family and the oldest dairy farm in Texas to the beautiful rolling hills of Brenham, Texas.

Ronny came home one morning after milking the cattle and said that his dad and uncles were retiring and he would have to find something else to do. Me, the city girl who had never touched a cow, said, "Why can't we buy the cattle and have our own dairy?" That was God turning water into wine. It was God saying this, not the city girl.

We moved and life was good in this beautiful county of rolling hills, friendly people, and 4-H for the kids. Life was good for about 20 years! Then shock! The dairy cattle got a staph infection! For about 18 months, veterinarians and American Milk Producers tried to clear up the infection. During that 18 months, we had to pour all the milk down the drain after milking the cows. It was a very stressful time in our lives. Every time we had to pour the milk down the drain meant no income, but we still had to buy feed for the cows.

We had to find another career. This was very hard. All we had done in our adult lives was milk cows. We had started over the years, selling nurse cows and...

A (New) Newsletter!

Make a joyful noise to the Lord, all the earth; break forth into joyous song and sing praises! – Psalm 98:4

Good communication matters – in relationships, in jobs, in communities. It definitely matters in church.

But how to create better pathways of communication when a shared ministry begins? That's been a big question for St. Paul and St. James these past 16 months. With this newsletter, we take a big step forward.

It will be unfamiliar at first—for all of us. We'll look for things where they used to be, and

Healthy and open communication is essential to the success of this shared ministry

see new things not in a newsletter before. However, I am truly hopeful that by sharing more communication, we will have many more opportunities to connect across congregations. If we are going to indeed share ministry together, we must at least start by knowing what's going on at each church.

I hope this newsletter leads us to realize we both collect items for Bread Partners of Washington County each month, and collect items for Lutheran World Relief Kits. I hope including the prayer concern list from each congregation will invite us to do a simple yet deeply meaningful thing: pray for each other. I hope that it will help us notify one another about big events and smaller life updates, so that we can indeed rejoice with those who rejoice and weep with those who weep.

Please consider my brief note this month to be an invitation to introduce yourself to the monthly happenings of the church that is less familiar to you, as well as learning about updates from the church that you call home. Communication is one of the fundamentals; it is essential to the success of this shared ministry. I'm excited to make a Joyful Noise to the world—together!

2019 St. Paul + St. James Adult Mission Trip

Beaumont, TX—November 11 - 16, 2019

Through the Thrivent Builds program, we will be helping Habitat for Humanity with their rebuild efforts in Beaumont after the recent hurricane damage.

The team has a maximum size of 16. The cost is \$400 for Thrivent Benefits members, and \$700 for non-Thrivent members, which includes all meals, hotel, and a cultural day.

We are hoping to have a shared fund between both churches for those who wish to donate funds but are unable to go, in hope of making the cost more affordable.

Please feel free to ask Pastor Evan any questions you might have! **We are having a second "I'm interested!" meeting on Sunday, May 19th at 11:30am at St. James.** Tiffany Weiss, who has led many of these trips, will be there to answer questions.

The deadline to register will be Friday, September 20th, 2019.

Campus Ministry Sunday— April 7 with Treehouse

Howdy friends! We at Treehouse are thrilled to be joining you for this year's Campus Ministry Sunday on April 7, 2019. Your student preachers have begun studying the text, and they are eager to share the Good News with you through the lens of their lives as a college student or young adult. Get ready for a powerful sermon!

As you may have heard, two years ago, we outgrew our space. Treehouse has been steadily growing over the last 9 years, and with no place left to sit, we turned to our ecumenical partners, the Episcopal Campus Ministry (Canterbury). Canterbury has graciously welcomed us in and helped us feel at home. We've continued to grow there, attracting a variety of students, Lutheran and non-Lutheran.

In March, 16 of us traveled to Iona (Scotland) and Holy Island (England). This year, we've also taken a 48-hour silent retreat to Boston, experienced an incredible Faith & Creativity Retreat at Lutherhill,

spent a weekend exploring water and Sabbath on the beach, had many nights on learning and prayer, and so much more.

A ministry of the Lutheran Church (ELCA) at

*Texas A&M
and Blinn*

All of this is possible because of our supporting churches (YOU!). Please know how tremendously grateful we are for your love of this ministry, your generous support, and your partnership in the Gospel.

Location: Martin Luther Lutheran Church in Carmine

Stories of Faith, continued...

newborn calves to people so we continued to do so, which helped. I would go to local cattle sales, and my husband traveled a long way to other cattle sales. It was surprising to me to be the only female cattle buyer at the cattle sales then. God was surely leading me by the hand.

Two years later God opened another door. My husband had an opportunity to purchase a cattle truck and haul cattle to feed lots across Texas. It was a great opportunity and later led to a second cattle truck. It was working but God knew what was to come. I remember sitting in a pew in church talking to God about the stress of the trucks, repairs, drivers. I put it in God's hands. Things needed to change but I had no idea what to do.

One week later I received a notice in the mail about a job opening in our area from a very well know and highly rated company. As I read, I remembered a light shining on the paper and a deep feeling that this is meant for me! It was a totally different type of career. I called immediately for an interview and I was chosen!

My daughter decided to join me, and we became a team. We walked and worked by faith, not by sight. God opened the way for us. The career required computer skills which I was weak in, but she was strong. I had other skills, and we were very successful. I became a manager in insurance and a financial adviser in numerous countie, and she did also. We helped many people.

This 150 year old company had only offered two women in 150 years to become a manager over an entire state. I was offered the opportunity four times. I declined. God had lead my beautiful family here, now four children and 11 grandchildren, and I knew this was where I belonged.

A year or two after I started working, my husband got cancer and was no longer able to work. God had surely taken my hand again leading me to this career. Thanks to God my husband is still with us. We have a large loving family. God is Good and holds our hand!

Thank you for being there for Mom all these years. She loved being a part of you and instilled in us the need for religion in our lives. The service was wonderful and Pastor Evan's words were so meaningful. Thanks to Cheryl for the music you played. She loved church hymns and would sing them often. Thanks to all who brought food for the final portion of the celebration of Mom's life. All of you are in our thoughts and prayers. Thank you again.

From the Archives of St. James Lutheran Church

by Knellen Quinteros

In 1920 services were held at both St. James and Germania. Pastor's salary was raised to \$1000 annually. In 1921 parents asked if confirmation could be taught in both English and German. The picket fence between the church and Sunday School was in need of repair. A discussion was held on distance between graves in the cemetery. It was decided that 8' would be left between graves and Koehn's fence. Also in 1921 the organist did not receive a salary, but was given a gift at the end of the year.

In 1922 Pastor Poehlmann left and the congregation asked for a new pastor who could speak both German and English. While St. James was vacant, Pastor Meyer from Phillipsburg helped out. Balance at the end of 1922 was \$109.35, income was \$1178.75 and expenses were \$1069.40. Substitute pastors were paid \$5 a service.

In 1923 the first telephone was placed in the parsonage. Pastor H. A. Heineke came. At the end of 1924 the first discussion was held whether to build a new church. In March of 1925 the congregation voted 63 votes for and 15 votes against. Discussions followed.

Until next month

*Isaiah 43:16-21, Psalm 126
Philippians 3:4b-14, John 12:1-8*

APRIL 21 | Easter Sunday!

Isaiah 65:17-25, Psalm 118, 1 Corinthians 15:19-26, Luke 24:1-12

"This is the day that the Lord has made; let us rejoice and be glad in it!" God has indeed raised from the dead the one who was put to death. Alleluia!

APRIL 28 | Easter 2

*Acts 5:27-32, Psalm 118:14-29
Revelation 1:4-8, John 20:19-31*

We will invest ourselves in the Easter mystery for fifty days, and we begin with Thomas and his doubts.
